

October Mission Drive 2026

October 2026

Dear Pastor,

Greetings in the name of our Lord Jesus Christ.

I am inviting you and your church to join with COGOP congregations around the world as we pray, serve, and give for the 2026 October Mission Drive. Every individual member, church, and nation plays a part in God's mission in ways that strengthen the global Church and advance the Gospel. The mission of the Church is not limited to one congregation, community, or people. As you well know, Jesus calls us to be His witnesses "unto the uttermost part of the earth" (Acts 1:8). This is an invitation for every believer to participate in God's global mission.

Our vision is to see the people of God actively engaged in that mission through three primary areas of partnership: prayer, presence, and provision. Through prayer, we invite you to intercede for our missionaries, churches, leaders, and communities of faith around the world. Through presence, by building relationships that cross borders and serving alongside our brothers and sisters as we make ourselves available to go where God sends us. Through provision, as we faithfully give what is needed to support ministry, strengthen churches, equip leaders, and respond to needs around the world.

Our goal is not simply to send resources from one place to another. We aim to facilitate healthy relational partnerships by taking your hand and connecting it with the hand of another. As a result, global ministries are strengthened, local leadership is developed, Kingdom impact is sustained, and the mission of God is accomplished.

The October Mission Drive is one way that we in the Church of God of Prophecy can respond together. This month's giving is designated to strategically support ongoing ministry in the 137 nations where the Church of God of Prophecy is currently active and poises the Church to go into the nations where we do not presently have a witness.

When you visit globalcogop.org, you will find several resources created for you and your church to help facilitate your giving toward the October Mission Drive. Among these resources are bulletin inserts, prayer guides, and devotional resources available in English, Spanish, and French as well as video testimonies, newsletters, and more!

We encourage you to share this emphasis with your congregation, make space for prayer, communicate the opportunities, and invite your church to partner with us in providing for the needs of our global church family. Together, we are reconciling the world to Christ through the power of the Holy Spirit!

I also recognize that October is Pastor Appreciation Month, so let me also take this opportunity to thank you and the pastoral leadership team serving your congregation. Thank you for your leadership, sacrifice, and faithfulness in shepherding God's people. May the Lord continue to bless and strengthen you, your leadership, and your congregation as you participate in God's mission to reconcile all things unto Himself.

With appreciation,

Hunter Roberts
International Director of Global Missions Ministries
